

Global Factory List As of February 15, 2016

Target is committed to providing increased supply chain transparency. To meet this objective, Target publishes a list of all registered factories producing Target owned brand products.

Target partners with its vendors to maintain an accurate list of factories producing owned brand products. The list below represents registered owned brand factories as of February 15, 2016.

This list is subject to change and updates will be provided on a quarterly basis.
